A group of diverse students, mostly young men, are standing in rows, wearing light blue short-sleeved button-down shirts. They are all looking towards the right side of the frame with slight smiles. In the front row, several students are holding a large, dark blue banner with a yellow border. The banner has the text "CLASS OF 2024" written in large, bold, yellow, sans-serif capital letters. The background is slightly blurred, showing more students in the same attire.
